STORMWATER PUBLIC WORKSHOP FOR HOMEOWNERS

Fayette County, German Township Supervisors, and Penn State Extension Master Gardeners will hold a public workshop designed to equip German Township homeowners with knowledge of how to minimize stormwater runoff from residential properties and prevent stormwater pollution. Talk to our experts, ask your individual questions, and pick up some helpful materials. The workshop will be held at German Township Municipal Building on September 19, 2018 @ 6PM

Date: Wednesday September 19
Time: 06:00 PM
Place: German Township Municipal Building
2 Long St, McClellandtown, PA 15458
