Public Comment :

Jeri Lowe said she gave another letter to the prison board yesterday.

She heard there was only 2 working toilets in the annex and sewer gnats. The Warden and maintenance officer said they have no reports of sewer gnats and that there are 4 toilets and 4 urinals with one urinal not working. He also said they purchased a no flush urinal and checking it out for a few months before deciding on replacing all of them. He said inmates flush items such as potatoe chip bags. Also they are looking at white stainless steel instead of porcelain toilets.

Moved by Commissioner Vicites and seconded by Commissioner Zimmerlink to adjourn
