Mr. French said the second item is an application that is being submitted to the PHFA for money through Act 13 for affordable housing. He said there was a 36 housing unit project in Redstone Township and this year they anticipate applying for another \$200,000 to support the Fayette County neighborhood stabilization and to construct new homes for low to moderate income homebuyers. Mr. French said the money can be used for blighted properties, adding that they may use a portion to support a project in Masontown, where they are tearing down a Foodland grocery store and they will construct new homes on that lot as well.

A motion was made by Commissioner Lohr and seconded by Commissioner Zimmerlink to consider placing on the agenda adoption of a resolution which approves an application being submitted by the County to the Pennsylvania Housing Finance Agency (PHFA) Pennsylvania Housing Affordability and Rehabilitation Enhancement (PHARE) Fund. This approval will authorize the Commissioners to sign and submit the application for assistance and will also approve execution of a Cooperation Agreement upon award of funding which will highlight the Redevelopment Authority's responsibilities for administration of the Program.

Prior to a motion, Mr. Lukach said this will cure the problem with photos on the website. Commissioner Vicites said certain municipalities are not on the website. Mr. Lukach said they have spoken with Tyler, adding that they have been off the maintenance agreement for several years. He said the money will come from a transfer from the assessor salary line item, adding he has had a vacancy for four months. Commissioner Zimmerlink said she understands it is an internal problem with the office that caused the pictures to go down. She asked about the costs for the contract, adding that by having county staff try to make changes, that is how this happened before. Mr. Lukach went over the hourly rates, saying they are between \$50 and \$340 an hour, depending on who does the work. Commissioner Zimmerlink asked about maintenance costs and directed Solicitor Cupp to look at the agreement. Commissioner Zimmerlink said they need to do it and it is a fair price. A motion was made by Commissioner Zimmerlink and seconded by Commissioner Vicites to consider placing on the agenda approval to purchase from Ford Motor Credit Company 2 – 2014 Ford Fusions for use as pool vehicles. According to the lease agreements, the **Purchase Option At End of Lease Term** is **\$13,311** for each of the two vehicles (line 10 on Lease Agreement). Ford Motor Credit charges a documentary fee when a vehicle is purchased at lease end. The last time we purchased a vehicle at lease end from Ford (2014), Davies Ford charged FCBHA **\$174.50**. The vehicles won't

be available until September 30th as FCBHA doesn't expect to take delivery of new autos until that time.

Odometer readings on the vehicles as of Monday, June 13th were **29,807** on the Silver Fusion and **30,129** on the White Fusion. I would estimate the vehicles will have less than 35,000 miles on them by the lease end date. The cars are in very good condition.
