Commissioner Zimmerlink yes

Motion passed unanimously

After the vote, Commissioner Zimmerlink said four companies responded to the county's advertisement. She said at the beginning of the bid opening, two companies didn't meet the initial bid requirements in accordance with county code and those two were not opened because they didn't meet the initial bid spec requirements. She said the other two bids were opened and McMillen Engineering, the consultant on the project, reviewed the bids and determined that those two bidders didn't meet the bid specifications, therefore the purpose of the vote. Patty Yauger of the Herald Standard and Katelyn Moore of the Daily Courier asked which companies bid. Commissioner Zimmerlink said they would make sure they get that information. Ms. Yauger asked how long it would be to advertise again. Commissioner Zimmerlink said very soon. She said she would contact the engineer as soon as the meeting is over and they will begin the process to do the advertisement.
