Salary Board Meeting  
June 28, 2011  
11:00 AM  
Commissioner's Meeting Room

### Roll Call:

Commissioner Vincent Zapotosky  
Controller Sean Lally  
Dominick Carnicella, Director of Human Resource Department  
Holly Sumey, Administrative Assistant  
President Judge Gerald Solomon

### Discussion:

Judge Solomon asked that the motions be together instead of separate motions.

Commissioner Zapotosky changed his motion to include both motions.

Judge Solomon then stated he would like to see the other 28 non union court related employees to be included in the pay raise, and that he would be willing to pay for those raises.

Commissioner Zapotosky then stated that he wished the county could give the other 28 employees the raise but because the Courts did not pay their portion of the ARC payment to the county. The taxpayers will now have to pay the difference. Commissioner Zapotosky speaking to the judge also stated that he has tried for months to come to a solution and meet with Judge Solomon who refused to meet.
