Discussion to vacant Criminal Division Secretary position and maintaining the current pay grade that is budgeted.

The position in question starts out as a Criminal Division 1 and the individual that is placed in the position will get promotions per years of service. At this point due to the experience the candidate that has been chosen to fill the vacant position has it has been requested the position remain at a CD #3. In 2002, the same thing happened and the candidate was placed in the position at the higher position. There is a heavy workload at this point due to the number of Judges and Senior Judges that we have.

It is agreed between the Union representative and the County that this lateral move be allowed.
