ORDINANCE DESIGNATING PROCESSING AND/OR DISPOSAL
FACILITIES AND IMPLEMENTING THE WASTE FLOW FOR FAYETTE COUNTY
SOLID WASTE PLAN AND PROVIDING FOR
REGISTRATION
THEREUNDER AND RELATED MATTERS

AMENDMENT – ORDINANCE NO G90-1
COUNTY OF FAYETTE, PENNSYLVANIA

AN ORDINANCE OF THE COUNTY OF FAYETTE, PENNSYLVANIA, DESIGNATING PROCESSING AND/OR DISPOSAL FACILITIES; PROVIDING WASTE FLOW CONTROL REQUIREMENTS TO DIRECT WASTE TO DESIGNATED PROCESSING AND/OR DISPOSAL FACILITIES; ESTABLISHING PROGRAM FOR THE REGISTRATION OF ALL PERSONS THAT COLLECT AND TRANSPORT MUNICIPAL WASTE GENERATED BY SOURCES LOCATED IN FAYETTE COUNTY AND PROVIDING PENALTIES FOR VIOLATION OF THIS ORDINANCE.

WHEREAS, the Board of County Commissioners have adopted and approved the Solid Waste Management Plan for Fayette County in accordance with the requirements of Section 501 of the Pennsylvania Municipal Waste Planning, Recycling and Waste Reduction Act of 1988 (Act 101), and said Plan has been duly ratified by the Municipalities in the County; and,

WHEREAS, the County has the power and duty to adopt such ordinances deemed necessary to implement this Plan by the authority vested to the County pursuant to Section 303 of Act 101, including requirements that all Persons be registered to collect and transport Municipal Waste, subject to the plan to the Municipal Waste Processing and/or Disposal Facilities Designated by the County pursuant to Subsection 303(3) of Act 101.

NOW, THEREFORE, the Board of County Commissioners of Fayette County hereby enacts and ordain as follows:

SECTION 1 – SHORT TITLE

This Ordinance shall be known and referred to as the “Fayette County Solid Waste Management Ordinance”

SECTION 2 – DEFINITIONS

The following words and phrases as used in this Ordinance shall have the meaning ascribed to them herein, unless the context clearly indicates a different meaning:

Act 97 – The Pennsylvania Solid Waste Management Act of 1980 (P L 380, No 97, July 7, 1980)

Act 101 – The Pennsylvania Solid Municipal Waste Planning, Recycling and Waste Reduction Act of 1988 (SB 528, Act 1988 – 101, July 28, 1988)

Collector or Waste Hauler – shall mean any person, firm, partnership, corporation or public agency that is engaged in the collection and/or transportation of Municipal Waste.

Commercial Establishment – means any establishment engaged in nonmanufacturing or non processing business, including, but not limited to, stores, markets, offices, restaurants, shopping centers and theaters.

County – shall mean the Fayette County Board of Commissioners or the Fayette County Solid Waste Management Department.

County Registered Hauler or Registered Hauler – shall mean any Municipal Waste Collector or Waste Hauler possessing a current County registration issued pursuant to this Ordinance.

Department or DEP – shall mean the Pennsylvania Department of Environmental Protection, and authorized Representatives.

Designated Facilities - Waste disposal facilities listed in the current approved Fayette County Solid Waste Management Plan and such other disposal facilities as may be approved in accordance with the provisions of that Plan.

Hazardous Waste – means garbage, refuse or sludge from an industrial or other waste water treatment plant, sludge from a water supply treatment plant or air pollution control facility and other discarded material, including solid, liquid, semisolid or gaseous material resulting from municipal, commercial, industrial, institutional, mining or agricultural operations, and from community activities, or a combination of the above. The term does not include coal refuse as defined in the Coal Refuse Disposal Control Act (51 P S Sections 30 51 – 30 101). The term does not include treatment sludges from coal mine drainage treatment plants, disposal of which is being carried on under and in compliance with a valid permit issued under The Clean Streams Law (35 P S Section 6891 1 – 691 1001). The term does not include solid or dissolved material in domestic sewage, or solid or dissolved materials in irrigation return flows or industrial discharges which are point sources subject to permits under Section 402 of the Federal Water Pollution Control Act (33 U S C A Section 1341) or source, special nuclear or byproduct material as defined by the Atomic Energy Act of 1954, (43 U S C A Sections 2011 – 2284), which because of its quantity, concentration or physical, chemical or infectious characteristics may do one of the following:

- (i) Cause or significantly contribute to an increase in mortality or increase in morbidity in either an individual or the total population
- (ii) Pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed.

Industrial Establishment – means any establishment engaged in manufacturing or production activities, including, but not limited to, factories, foundries, mills, processing plants, refineries, mines and slaughterhouses.

Infectious Waste – means Municipal Waste, which, unless processed, disposed, stored, collected or transported in accordance with Article VII Municipal Waste of Chapter 101, Special Water Pollution Regulations of 25 PA Code, is or may be contaminated by a disease-producing microorganism or material, or may harm or threaten human health. The term includes the following wastes unless individual residences generate them:

- (i) Waste generated by hospitalized patients who are isolated, or on blood and body fluid precautions in order to protect others from their severe and communicable disease.
- (ii) Cultures and stocks of etiologic agents
- (iii) Animal waste blood and animal blood products which are known or are suspected to contain contagious zoonotic pathogens, and human waste blood and blood products.
- (iv) Tissues, organs, body parts, blood and body fluids that are removed during surgery and autopsy
- (v) Wastes generated by surgery or autopsy of septic cases or patients with infectious diseases.
- (vi) Wastes that were in contact with pathogens in any type of laboratory work, including collection containers, culture dishes, slides, plates and assemblies for diagnostic tests and devices used to transfer, inoculate and mix cultures.
- (vii) Sharps
- (viii) Wastes that were in contact with the blood of patients undergoing hemodialysis at hospitals or independent treatment centers.
- (ix) Carcasses and body parts of animals exposed to contagious zoonotic pathogens
- (x) Animal bedding and other wastes that were in contact with animals suffering from contagious zoonotic diseases due to natural infection or laboratory research, and their excretions, secretions, carcasses on body parts.
- (xi) Waste biological – for ample, vaccines – produced by pharmaceutical companies for human or veterinary use.
- (xii) Food and other products that are discarded because of contamination with etiologic agents.
- (viii) Equipment and equipment parts contaminated with etiologic agents.

Institutional Establishment – shall mean any establishment or facility engaged in services, including, but not limited to, hospitals, nursing homes, schools and universities.

Leaf Waste – shall mean leaves, garden residues, shrubbery and tree trimmings, and similar material, but not including grass clippings.

Municipal Waste – means any garbage, refuse, industrial lunchroom or office waste and other material including solid, liquid, semisolid, or contained gaseous material resulting from operation of Residential, Municipal, commercial or Institutional Establishments and from community activities, any sludge not meeting the definition of Residual Waste or Hazardous Waste under Act 97 from any municipal, commercial or institutional water supply treatment plant, waste water treatment plant, or air pollution control facility. The term does not include and Source-Separated Recyclable Materials.

Municipal Waste Landfill – means a facility using land for disposing of Municipal Waste. The facility includes land affected during the lifetime of operations including, but not limited to, areas where disposal or processing activities actually occur, support facilities, borrow areas, offices, equipment sheds, air and water pollution control and treatment systems, access roads, associated on-site and contiguous collection, transportation and storage facilities, closure and post closure care and maintenance activities and other activities in which the natural land surface has been disturbed as a result of or incidental to operation of the facility. The term does not include a Construction/Demolition Waste Landfill or a facility for the land application of sewage sludge.

Person – means any individual, partnership, association, institution, cooperative enterprise, Municipal Authority, Federal Government or agency, State institution and agency – including, but not limited to, the Department of General Services and the State Public School Buildings Authority – or another legal entity which is recognized by law as the subject of rights and duties. In the provisions of this article pertaining to a fine or penalty, the term includes the officers and directors of cooperation or other legal entity having officers and directors.

Processing – means any technology used for the purpose of reducing the volume or bulk of Municipal Waste or Residual Waste or any technology used to convert part or all of such materials for off-site reuse. Processing facilities include, but are not limited to, transfer stations, composting facilities and resource recovery facilities.

Residual Waste – means any garbage, refuse, other discarded material or other waste, including solid, liquid, semisolid or contained gaseous materials resulting from industrial, mining, or agricultural operations and any sludge from an industrial, mining or agricultural water supply treatment facility, waste water treatment facility or air pollution control facility, provided that it is not hazardous. The term shall not include coal refuse as defined in the Coal Refuse Disposal Control Act of September 24, 1968 (P L 1040, No 318). The term shall not include treatment sludges from coal mine drainage treatment plants, disposal of which is being carried on pursuant to and in compliance with a valid permit issued pursuant to the Clean Streams Law of June 22, 1937 (P L 1987, No 394).

Scavenging – shall mean the unauthorized and uncontrolled removal of any material stored or placed at a point for subsequent collection or from a Designated Facility.

Source Separated Recyclable Materials – means materials that are separated from Municipal waste at the point of origin or generation for the purpose of Recycling.

Special Waste – means Municipal Waste for which the Pennsylvania Department of Environmental Protection, the EPA or Facility Operators that requires special approval (other than that generally required for Municipal Waste prior to disposal at the Designated Facilities). Special Waste includes, but is not limited to, asbestos, sludge, infectious waste, chemotherapeutic waste, and incinerator ash, including ash from any resource recovery facility.

Transportation – means the off-site removal of any Municipal Waste at any time after generation.

Unacceptable Waste – means (a) any material that by reason of its composition, characteristics or quantity is ineligible for disposal at the Designated Facilities pursuant to the provisions of (i) the Resource Conservation and Recovery Act of 1976, 42 U S C subsection 2601 et seq, and the regulations thereunder or (ii) except for trace amounts normally found in household or commercial solid waste, any other Applicable Law including, but not limited to, the following laws and regulations, if any, promulgated under each: the Toxic Substances Control Act, 15 U S C subsection 2601 et seq; the Federal Insecticide, Fungicide and Rodenticide Act, 7 U S C subsection 136 et seq, the Federal Water Pollution Act, 13 U S C subsection 1251 et seq, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U S C subsection 9601 et seq; The Pennsylvania Solid Waste Management Act, the Hazardous Sites Cleanup Act, 108, enacted October 18,, 1988; and any similar or substituted legislation or regulations or amendment to the foregoing as well as any other laws coextensive with the foregoing; (b) any other materials that any governmental body or unit having or claiming appropriate jurisdiction shall determine from time to time to be harmful, toxic, dangerous, or otherwise ineligible for disposal at the Designated Facilities; (c) any Residual Waste, Special Waste or other waste, that the Designated Facilities are precluded from accepting pursuant to any permit or government plan governing the Designated Facilities; (d) Hazardous Waste; (e) Infectious Waste; and (f) any other material that the County or the Designated Facility operators reasonably conclude would require special handling or presents an endangerment to the Designated Facilities, the public health or safety, or the environment.

For the purposes of this ordinance, the singular shall include the plural and the masculine shall include the feminine and neuter.

Any terms not hereinabove specifically defined shall be defined by definitions contained in Act 101.

SECTION 3 – WASTE FLOW CONTROL MANAGEMENT PROVISION

1. Pursuant to the authority granted to the County by Act 101, it is hereby directed that all Municipal Waste collected in the various municipalities of Fayette County shall be taken by County Registered Haulers to County Designated Facilities, as shall be approved by the regulations adopted by the County pursuant to this Ordinance.
2. As part of the annual report required pursuant to this Ordinance, each Registered Hauler shall report to the County or designated County representative which Designated Facilities the Hauler is depositing waste.

SECTION 4 – PROHIBITED ACTIVITIES

1. It shall be unlawful for any Person to collect and/or engage in the Transportation of Municipal Waste from any Residential, Public, Commercial, Industrial or Institutional Establishment within the County without first registering to do so as a County Registered Hauler in accordance with the provisions of this Ordinance.
2. It shall be unlawful for any Person to collect and/or engage in the Transportation of Municipal Waste from any sources within the County in a manner not in accordance with

- the provisions of this Ordinance and the minimum standards and requirements established in Chapter 285 of the DEP's Municipal Waste Management Regulations.
3. It shall be unlawful for any Person to engage in the Transportation of any Municipal Waste collected within the County to any processing and/or Disposal Facility other than those facilities which have agreements with the County and are Designated Facilities under the County's approved Municipal Waste Management Plan. The waste collected by Septage Haulers need not be disposed in a County designated facility. The waste may be land applied at a facility approved by DEP for such application.
 4. It shall be unlawful for any Person to Scavenge any material from any Municipal Waste or Source-Separated Recyclable materials that are stored or placed for subsequent collection within the County without prior approval from the County and the local Municipality.

SECTION 5 – STANDARDS FOR COLLECTION AND TRANSPORTATION

1. All County Registered Haulers operating within the County must comply with the following minimum standards and regulations
 - A. All trucks or other vehicles used for collection and transportation of Municipal Waste must comply with the requirements of Act 97 and Act 101 and DEP regulations adopted pursuant to Act 97 and Act 101, including the Title 25, Chapter 285, Subchapter B Regulations for the Collection and Transportation of Municipal Waste.

SECTION 6 – REGISTRATION REQUIREMENTS

1. Within sixty (60) days of the effective date of the Ordinance, any Person engaged in the collection and hauling of Municipal Waste is required to register with the County in accordance with the provisions of this Ordinance.
2. No person shall collect, remove, haul or transport any Municipal Waste through or upon streets of any Municipality within Fayette County without first registering with the County in accordance with the provisions of this Ordinance.
3. All Collectors, Waste Haulers, and Septage Haulers shall be registered by the County and designated as a "County Registered Hauler".
4. Any Person who desires to collect, haul, or engage in the Transportation of Municipal Waste within Fayette County shall submit an application to the County or designated County representative. The County shall have a minimum period of thirty (30) calendar days to review any application and take approval or denial action.
5. All registrations are nontransferable and shall be issued for a period of one calendar year.
6. The application form for registration supplied by the County shall set forth the minimum information required to establish the applicant's qualifications for registration in order to collect and transport Municipal Waste, including, but not necessarily limited to:
 - A. Name and mailing address of the applicant;
 - B. Name and telephone number of contact person;

- C. List of all collection vehicles to be covered under the registration, including identification information for each vehicle, such as vehicle license plate number and company identification number;
 - D. Type of Municipal Waste collected and transported;
 - E. The municipality or municipalities served by the applicant; and
 - F. Certificate(s) of insurance to present evidence that the applicant has valid liability, vehicle, and workman's compensation insurance in the minimum amounts established and required by the County.
7. Any Collector or Waste Hauler with an existing registration shall submit a new application to the County or designated County representative at least sixty (60) days prior to the expiration date of existing registration, if renewal of the registration is desired.
 8. No new registration or registration renewal shall be approved and issued to any person who fails to satisfy the minimum standards and requirements of this Ordinance or is in violation of the provisions of this Ordinance.

SECTION 7 – REPORTING REQUIREMENTS

1. Within seven (7) days of the occurrence of any event that changes the data supplied to the County on the Waste Hauler registration form, County Registered Haulers shall report to the County or designated County representative any changes in the collection vehicles or equipment covered under the County Registration Program including any changes in insurance coverage.
2. All County Registered Haulers shall maintain current, up-to-date records of the customers serviced within Fayette County. Such records and customer lists shall be subject to inspection and made available to the County or designated County representative upon request.
3. Each County Registered Hauler shall prepare and submit an annual report to the County, to be submitted on or before January 31 of the following calendar year. At a minimum, the following information shall be included in each Annual Report.
 - A. The monthly and annual total weight of each type of Municipal Waste collected from all sources in Fayette County during the annual reporting period;
 - B. The name of each Designated Facility and Registered Hauler used during the annual reporting period and the monthly and annual total weight of each type of Municipal Waste that was delivered to each Designated Facility during each month of the annual reporting period;
 - C. The name of each Municipality in Fayette County in which the Registered Hauler collected Municipal Waste from any source during the annual reporting period; and,
 - D. A summary of the monthly and annual total weight of each Municipal Waste and recyclables collected from each Municipality during the annual reporting period; and,
 - E. The Designated Facility or Facilities planned to be used by the Registered Hauler during the calendar year following the annual reporting period.

SECTION 8 – PENALTIES

1. Any person who violates any provision of this Ordinance shall be guilty of a misdemeanor which is punishable, upon conviction, by a fine of not less than \$100.00, or more than ten (10) days, or both. Each day of violation shall be considered as a separate and distinct offense.
2. The County shall have the right at any time to suspend or revoke the registration of any County Registered Hauler for any of the following causes:
 - A. Falsification or misrepresentation of any statement in any application for registration;
 - B. Lapse or cancellation of any required insurance coverage's;
 - C. Collection and/or Transportation of any Municipal Waste in a careless or negligent manner or any other manner that is not in compliance with the requirements of this Ordinance;
 - D. Except as provided for in the currently approved Fayette County Solid Waste Management Plan and such other disposal facilities as may be approved in accordance with the provisions of that Plan, the Transportation and/or disposal of any Municipal Waste collected within the County at any site other than the Designated Facilities;
 - E. The repeated delivery of Unacceptable Waste, which includes by definition Hazardous Waste at a Designated Facility or Facilities;
 - F. Violation of any part of this Ordinance, any other application County Ordinances or any applicable Pennsylvania laws or regulations.

SECTION 9 – UNACCEPTABLE WASTE

In the event a load of waste taken by a County Registered Hauler to a Designated Facility under the Ordinance contains Unacceptable Waste, which includes by definition Hazardous Waste, the County Registered Hauler shall remove said Unacceptable Waste from the site. The Designated Facility may charge the County Registered Hauler for any reasonable costs incurred because of the presence of said Unacceptable Waste including the cost of handling and reloading said material into the vehicle of the County Registered Hauler.

SECTION 10 –INJUNCTIVE POWERS

The County may petition the Court of Common Pleas of Fayette County, Pennsylvania, for an injunction, either mandatory or prohibitive, in order to enforce any of the provisions of this Ordinance.

SECTION 11 – SEVERABILITY

In the event that any section, paragraph, sentence, clause or phase of the Ordinance, or any part thereof, shall be declared illegal, invalid or unconstitutional for any reason, the remaining provisions of this Ordinance shall be affected, impaired or invalidated by such action.

SECTION 12 – CONFLICT

Any Ordinances or any part of any Ordinances which conflict with this Ordinance are hereby repealed insofar as the same is specifically inconsistent with this Ordinance.

SECTION 13 – EFFECTIVE DATE

This Ordinance shall take effect on the ____ day of ____ 2016

ORDAINED AND ENACTED INTO AN ORDINANCE THIS ____ OF ____, 2016
